

Interdisciplinary Graduate Program in  
**Molecular & Cellular Biology**

*Spring 2013 Workshop & Seminar Series*

***DISSERTATION SEMINAR:***

**"Structure and Functional Studies of Proliferating Cell Nuclear Antigen Mutant Proteins Defective in Translesion Synthesis and Mismatch Repair"**

**Lynne Dieckman**

**(Washington Lab)**

**Molecular & Cellular Biology Program**

**Monday, May 13**

**9:00 a.m., 2117 MERF**
